Re: Gerald Armstrong

Dear Mr. Leonard:

When you called my office on October 21, 1985 concerning the complaint of Mitra Hall about Gerald Armstrong you indicated to me that you would advise me after you had spoken to Mr. Armstrong.

It has now been more than two weeks since our call. Have you contacted Mr. Armstrong? Did he admit to his violation of the Federal statute? Was he told of the criminal consequences of his actions? Will he be prosecuted?

I look forward to your response to these questions.

Sincerely,

Roger Geller
